

**FAMU FCU Chairman's Report**  
**Lorenzo Alexander, Board Chair**

Good Afternoon,

The FAMU FCU Board of Directors would like to welcome you to YOUR 85th Annual Meeting. **Our mission is to provide the best member service(s) and products that meet or exceed the needs of its members at affordable prices.**

Together, we celebrate the 85<sup>th</sup> anniversary of your credit union, chartered by Alumni of Florida A & M University.

85 years of providing financial services to members that purchased their first home or car, put their children through college, paid off debts, obtained emergency loans during storms and tough times, gained access to capital for their small minority owned businesses and started their investments for the future. These are just a few financial opportunities available for members of the credit union.

2019 proved to be a year of transitions, achievements and growth for FAMU Federal Credit Union. This could not have been accomplished without your loyalty and trust. Although many changes have taken place, our focus and vision remain clear - to create greater value for members, deliver exceptional service and provide financial solutions.

On behalf of the Board of Directors, we thank you for entrusting us to listen to your concerns, initiate solutions, and help you achieve your financial goals.
