

Celebrating our  
**85th Anniversary**

**FAMU Federal  
Credit Union**

## **Happy 85th Anniversary to Florida A&M University FCU!**

On May 8, 2020, Florida A&M University Federal Credit Union celebrated its 85th anniversary. To commemorate this milestone anniversary, we took time to celebrate the memories of the past, joys of the present, and visions for the credit union's future. It was, and will continue to be, a celebration for all who have been a part of the growth and prosperity of the credit union for so many years.

This credit union is one of the oldest chartered credit unions in the nation. To put that into perspective, of the thousands of credit unions chartered, we were number 187. This "legacy" credit union has proudly served the membership by providing the financial resources to purchase homes, send kids to college, provide capital for small businesses, purchase autos, and ensure other financial products and services are not only available, but also affordable.

On behalf of the Board of Directors, Management and Staff, we thank you, the members, for your continued support, loyalty, and patronage. Our commitment to be a trusted financial partner is a privilege that we take seriously. As we reflect on this special day, let's also remember the founders and visionaries that sacrificed their time and finances to establish this credit union to serve multiple generations.

God Bless  
Sheilah Montgomery  
President/CEO
